As captain, Rohit's workload and leadership responsibilities bring additional perks, including performance bonuses and leadership incentives from the BCCI.

IPL Earnings and Franchise Loyalty

In the **Indian Premier League (IPL)**, Rohit Sharma continues to be one of the most valuable assets for the **Mumbai Indians (MI)**. Having captained the franchise to multiple titles, his IPL salary for the 2025 season stands at around **₹16 crore**, reflecting his immense impact both as a leader and a match-winner.

His long-standing association with MI has also earned him multiple brand partnerships and commercial opportunities through the franchise network, further boosting his annual income.

Endorsements and Business Ventures

Rohit Sharma's calm personality and trustworthy image have made him a favorite among top brands. He endorses global and Indian companies across industries – from sportswear to finance – with an estimated **endorsement income of ₹30–40 crore annually**.

He has also invested in tech startups, fitness ventures, and environmental campaigns, reflecting his vision beyond cricket.

Final Thoughts

In 2025, Rohit Sharma's financial portfolio is a reflection of his incredible cricketing journey and marketability. Between his **BCCI contract, IPL earnings, and brand deals**, Rohit remains one of the wealthiest and most respected figures in the cricketing world – a true symbol of class, consistency, and success.
