

# IND vs WI Test Series: Predicted Indian Squad and Updates on Bumrah & Pant

India is all set to lock horns with the West Indies in the highly anticipated Test series, and cricket fans are eager to know the predicted squad as well as the latest updates on key players like **Jasprit Bumrah** and **Rishabh Pant**. With both sides boasting a mix of experience and youth, the series promises to be an exciting contest.

The Indian squad is expected to feature a strong top order with **Rohit Sharma**, **Shubman Gill**, and **Cheteshwar Pujara**, providing stability and experience. The middle order, including **Shreyas Iyer** and **Rishabh Pant**, adds depth and the ability to accelerate the scoring when needed. Pant, who has been a key figure behind the stumps and with the bat, is reportedly fit after recovering from a minor niggle and is expected to play a pivotal role in India's middle order.

In the bowling department, **Jasprit Bumrah** continues to be the spearhead of India's attack. Recent updates suggest that Bumrah is fully match-ready after a short recovery

period, ensuring that India has a lethal pace threat upfront. He will likely be supported by **Mohammed Shami** and **Ishant Sharma**, offering a balanced attack that combines swing, seam, and pace.

On spinning duties, **Ravichandran Ashwin**, **Axar Patel**, and potentially **Kuldeep Yadav** are expected to challenge the West Indies on turning tracks.

The predicted playing XI appears to be a blend of experience and youthful energy, designed to dominate both home and away conditions. With Bumrah leading the pace attack and Pant providing stability and fireworks in the middle, India seems well-prepared to tackle the Caribbean side.

**Predicted Indian Squad:** Rohit Sharma (C), Shubman Gill, Cheteshwar Pujara, Shreyas Iyer, Rishabh Pant (WK), Ravichandran Ashwin, Axar Patel, Kuldeep Yadav, Jasprit Bumrah, Mohammed Shami, Ishant Sharma.

As the series approaches, all eyes will be on India's fitness updates and final confirmations, particularly for Bumrah and Pant. If both players are at their best, India is expected to enter the series with a strong chance of dominating the West Indies and setting the tone for a competitive and entertaining set of Test matches.
