

Ashes 2025-26: When Did England Last Win an Ashes Series in Australia?

As the countdown begins for the **Ashes 2025-26**, cricket fans are once again gearing up for one of the sport's greatest rivalries – **England vs Australia**. Every Ashes series carries emotion, intensity, and history, but one question continues to haunt English supporters: *When did England last win the Ashes in Australia?*

England's Last Triumph Down Under – The 2010-11 Ashes

To find England's last Ashes victory on Australian soil, fans have to look back **more than a decade** – to the **2010-11 series**, when **Andrew Strauss** led England to a famous **3-1 win**. It was a golden moment for English cricket, marking their first Ashes series win in Australia in 24 years.

The campaign featured several unforgettable performances – **Alastair Cook's remarkable 766 runs**, including three centuries, stood out as one of the greatest batting displays in

Ashes history. Meanwhile, the English pace trio of **James Anderson, Chris Tremlett, and Tim Bresnan** wreaked havoc on the Australian batting lineup. The victory in **Sydney**, sealing the series, remains etched in English cricket folklore.

Years of Australian Dominance Since Then

Following that triumph, England have struggled to repeat their success in Australia. The **2013-14, 2017-18, and 2021-22** Ashes series all went heavily in Australia's favour, each ending in **4-0 defeats** for England. The Aussies, led by stars like **Steve Smith, Pat Cummins, and David Warner**, have turned their home advantage into a fortress, maintaining an unbeaten Ashes record at home for over a decade.

Can England Break the Drought in 2025-26?

As the **2025-26 Ashes** approaches, England, under **Ben Stokes and Brendon McCullum**, are determined to rewrite history. The "Bazball" era has brought new aggression and fearlessness to their Test game, but whether it can withstand Australia's pace and bounce remains to be seen.

Final Word

England's last Ashes triumph in Australia came **15 years ago**, in the unforgettable **2010-11 series**. Since then, the Aussies have ruled at home, but the upcoming battle could redefine the modern rivalry. If England manage to win this time, it will be one of their greatest cricketing achievements in decades.
