

Suryakumar Yadav Reaches 150 T20I Sixes Milestone; Only Rohit Sharma Ahead – Check Out the Top 5 Six-Hitters

Suryakumar Yadav has added another feather to his already impressive T20I career, becoming only the second Indian cricketer to hit 150 sixes in the format. The milestone came during the India vs Australia T20I clash, where the dynamic batter once again showcased his trademark aggression and fearless approach at the crease. With this achievement, Suryakumar now sits just behind Indian captain Rohit Sharma on the list of players with the most sixes in T20 internationals.

Since his debut, Suryakumar Yadav – fondly known as “SKY” – has redefined T20 batting with his innovative stroke play and ability to dominate bowlers across the park. His effortless flicks, scoops, and lofted drives have made him one of the most entertaining

players to watch in modern cricket. What sets him apart is not just the number of sixes he hits, but the audacity with which he plays his shots, often against world-class bowling attacks.
