

Ashes Test Series: AUS vs ENG Match Prediction 3rd Test, Toss Prediction, Most Runs, Most Wickets, Player of the Match

The **Ashes Test Series** always delivers high-intensity cricket, and the **AUS vs ENG 3rd Test** is expected to be another thrilling contest. With the series finely poised, both Australia and England will be desperate to gain momentum. In this blog, we bring you a complete preview including **match prediction, toss prediction, key players, most runs, most wickets**, and the **Player of the Match** forecast.

AUS vs ENG 3rd Test Match Preview

Australia will enter the 3rd Test with confidence, backed by their strong home conditions and a well-balanced squad. Their pace attack, supported by disciplined batting, has consistently troubled England. On the other hand, England's aggressive "Bazball" approach makes them dangerous, especially if their top order clicks early.

Australia's recent dominance, highlighted in, underlines their bowling depth and adaptability. England will need a collective effort to counter Australia's relentless pressure.

Toss Prediction – AUS vs ENG 3rd Test

The toss will play a crucial role in this Test match. Traditionally, Australian pitches offer early assistance to fast bowlers before becoming batting-friendly. Teams winning the toss are likely to **bat first**, post a solid total, and let their bowlers exploit the pitch later. Australia, with better familiarity of conditions, may have a slight edge at the toss.

Most Runs Prediction

- **Australia:** Steve Smith remains the safest bet for most runs. His technique and patience make him lethal in long-format cricket.
- **England:** Joe Root is expected to anchor the innings, especially if early wickets fall.

Both players thrive under pressure and could define the outcome of the match.

Most Wickets Prediction

- **Australia:** Pat Cummins' accuracy and bounce make him the top contender for most wickets.

- **England:** James Anderson's swing with the new ball can be crucial, particularly in helpful conditions.
-

Player of the Match Prediction

Pat Cummins stands out as the **Player of the Match** favorite. His ability to contribute with both bat and ball, combined with sharp leadership, gives Australia a significant advantage.

Final Match Prediction

Considering squad depth, home advantage, and recent performances, [Australia are favorites to win the 3rd Test](#). However, England's aggressive mindset ensures an exciting and competitive Ashes clash for cricket fans worldwide.
