About Your Local Owner

We are a help first business, and we do it because we care.

Marty and Michel Mayfield

Owner

Marty and Michel Mayfield

are the owners of [Bio-One of](#)

[OKC](#). We became a part of

Bio-One to give back to the

community and support

families during personal tragedies. Through life lessons with family and friends, we understand and empathize with these events and want to support and help families take the first steps in recovery. Helping others,

with compassion and understanding, is how we approach every situation to restore properties and lives.

Compassion & Understanding

Our priority is you. Bio-One, to this day, continues to be the most passionate and caring [crime scene cleanup](#) and [biohazard decontamination](#) company in the cleaning services industry. We have built our company on the foundation of discretion and confidentiality. We treat each situation with care and compassion, and take time to learn your individual needs and goals. We can open your insurance claim and work with adjusters so you can focus on other urgent matters. We strive to make a difference in our community and thrive by going above and beyond for our clients.

WE'RE READY 24/7

Work with us

1. **Call as soon as you need help.**
With 24/7 availability, we are ready to answer your call if the unthinkable happens.
2. **We will provide comprehensive remediation.**
Our Bio-One of Oklahoma City crew will discreetly and professionally complete the crime scene cleanup or biohazard decontamination job.
3. **We will work with your insurance directly.**
Working with your insurance company can be overwhelming. Bio-One of Oklahoma City can open the claim and work with the adjusters directly.
