

# KKR vs RR IPL 2026: Head-to-Head Stats

The rivalry between Kolkata Knight Riders and Rajasthan Royals has been one of the most exciting matchups in the Indian Premier League over the years. As IPL 2026 heats up, fans are eager to explore the head-to-head stats between KKR and RR to understand which team holds the upper hand.

Here's a detailed breakdown of KKR vs RR head-to-head records, recent performances, and key insights.

## KKR vs RR Head-to-Head Record

Kolkata Knight Riders and Rajasthan Royals have faced each other multiple times since the inception of the IPL. The rivalry has remained competitive, with both teams securing important wins over the years.

**Overall Head-to-Head Stats:**

- **Total Matches Played:** 25+
- **KKR Wins:** 14+
- **RR Wins:** 11+

KKR holds a slight edge in the overall record, but RR has consistently challenged them with strong performances.

## Recent Match Trends

In recent seasons, matches between KKR and RR have been closely contested. Both teams have improved their squads, making the encounters even more unpredictable.

KKR has shown dominance with their aggressive batting and spin-heavy bowling attack. Meanwhile, Rajasthan Royals have relied on their balanced lineup and finishing ability to secure crucial wins.

## Key Player Contributions

Individual brilliance has often defined the outcome of KKR vs RR matches.

### Kolkata Knight Riders:

- Explosive top-order batters setting the tone
- Spinners controlling the middle overs
- All-rounders contributing in crucial moments

### Rajasthan Royals:

- Strong opening partnerships
- Dependable middle-order finishers
- Effective pace attack in death overs

These contributions have made the rivalry highly competitive.

## Venue Impact on Results

Venue conditions play a significant role in KKR vs RR matches. At Eden Gardens, KKR tends to dominate due to familiarity with pitch conditions and crowd support.

On the other hand, RR performs well on batting-friendly pitches where their top order can capitalize and post big scores.

## What Do The Stats Indicate?

The head-to-head stats suggest that while KKR has a slight advantage, Rajasthan Royals are more than capable of turning the tables. Matches between these two sides often depend on:

- Powerplay performance
- Middle-over control
- Execution in death overs

Consistency and handling pressure are key factors that determine the winner.

## Conclusion

The [KKR vs RR head-to-head stats in IPL 2026](#) highlight a competitive and entertaining rivalry. While Kolkata Knight Riders have a marginal lead, Rajasthan Royals have proven they can challenge them at any time.
