

# India vs Zimbabwe Schedule: Predicted Squad, Playing XI & Head-to-Head Record

The upcoming series between India national cricket team and Zimbabwe national cricket team has generated significant excitement among cricket fans. With a mix of experienced stars and emerging talents expected to feature, this series promises competitive cricket and fresh opportunities for players to shine.

## India vs Zimbabwe 2026: Schedule Overview

The India vs Zimbabwe series is expected to include a limited-overs format, likely consisting of T20Is and ODIs. While the official schedule may vary, matches are typically hosted across prominent venues in Zimbabwe, offering subcontinental teams a different challenge in terms of pitch and conditions.

Fans can expect closely contested matches, especially as Zimbabwe continues to improve as a competitive side in international cricket.

## Predicted India Squad

India is likely to field a balanced squad, combining senior players with young prospects. Here's a predicted squad:

- Shubman Gill
- Yashasvi Jaiswal
- Ruturaj Gaikwad
- Sanju Samson
- Rinku Singh
- Hardik Pandya (c)
- Ravindra Jadeja
- Axar Patel
- Arshdeep Singh
- Mohammed Siraj
- Kuldeep Yadav

This lineup reflects India's focus on grooming young talent while maintaining a strong core of experienced players.

## Predicted Playing XI for India

Based on recent performances and team balance, India's probable Playing XI could be:

1. Shubman Gill
2. Yashasvi Jaiswal
3. Sanju Samson (wk)
4. Rinku Singh
5. Hardik Pandya (c)
6. Ravindra Jadeja
7. Axar Patel
8. Arshdeep Singh
9. Mohammed Siraj
10. Kuldeep Yadav
11. Mukesh Kumar

This combination offers a solid batting lineup along with a versatile bowling attack capable of adapting to different conditions.

## Zimbabwe Predicted Squad and Strengths

Zimbabwe is expected to rely on a mix of experienced players and promising youngsters. Their squad will focus on all-rounders and spin-friendly options to counter India's strong batting unit.

Playing in home conditions, Zimbabwe could pose a tough challenge, especially if their bowlers manage to exploit pitch variations effectively.

## India vs Zimbabwe Head-to-Head Record

Historically, India has dominated the head-to-head record against Zimbabwe in international cricket. The Indian team has consistently outperformed Zimbabwe across formats, thanks to their depth and quality.

However, Zimbabwe has occasionally pulled off surprises, particularly in home conditions, making this rivalry more interesting than it appears on paper.

## Key Players to Watch

- **Shubman Gill:** In excellent form and a key batter at the top.
- **Hardik Pandya:** Provides balance with both bat and ball.
- **Sikandar Raza (Zimbabwe):** A crucial all-rounder who can change the game.

## Conclusion

The [India vs Zimbabwe series](#) is set to be an exciting contest, offering opportunities for young players and a chance for Zimbabwe to challenge a top-ranked team. With a strong predicted squad, balanced Playing XI, and an interesting head-to-head record, fans can expect thrilling cricket action.
