

# MI vs RR: Will Hardik Pandya Play Today Against Rajasthan Royals? MI Predicted XII

The highly anticipated IPL 2026 clash between Mumbai Indians and Rajasthan Royals has sparked excitement among fans, with one major question dominating headlines—will Hardik Pandya play today?

As MI look to strengthen their position in the tournament, the availability of their captain and star all-rounder could significantly impact the outcome of the match.

## Hardik Pandya's Availability: Latest Update

Hardik Pandya's participation has been under scrutiny due to recent fitness concerns and workload management. While there has been no official confirmation from the Mumbai

Indians camp, reports suggest that the team management is closely monitoring his condition ahead of the game.

If declared fit, Pandya is expected to return to the playing XI, bringing balance to both the batting and bowling departments. However, if MI decides to rest him as a precaution, it could force a reshuffle in their lineup.

## Why Hardik Pandya Is Crucial for MI

Hardik Pandya remains a key player for Mumbai Indians, thanks to his dual ability to contribute with both bat and ball. His presence in the middle order provides stability and firepower, especially during the death overs.

Additionally, his medium-pace bowling offers flexibility to the captain, allowing better rotation of bowlers. Against a strong Rajasthan Royals side, Pandya's all-round skills could prove decisive.
