Jos Buttler Bat Specs

The **Kookaburra Kahuna Jos Buttler bat** comes with professional-level features designed for elite performance.

1. Willow Type

The bat is made from **Players Grade English Willow**, known for delivering excellent rebound and durability. This premium willow helps generate powerful shots and offers a larger sweet spot.

2. Weight and Pickup

Jos Buttler prefers a bat weighing approximately **2lb 10oz to 2lb 11oz**. Despite being slightly heavier, the bat offers smooth pickup and balance, allowing Buttler to play attacking strokes comfortably.

3. Bat Profile

The bat features:

- Full players profile
- Maximum spine and thick edges
- Standard face profile
- Oval handle design
- Hexa grip for improved control

These elements help generate explosive power while maintaining control during shots.

4. Sweet Spot and Spine

The Kahuna profile is famous for its strong middle and pronounced spine, making it ideal for aggressive batters. Thick edges provide extra hitting power, especially useful for six-hitting and attacking cricket.

Jos Buttler Bat Price

One of the most frequently asked questions is about the **Jos Buttler bat price**.

The original **Kookaburra Jos Buttler Players Replica Bat** generally falls within the premium category. International pricing is often around **₹60,000 to ₹85,000**, depending on grade, retailer, and import costs. Some high-end player-edition models can be priced even higher.

Replica and lower-grade versions are available at more affordable prices for club and amateur cricketers.

Why Do Players Like the Jos Buttler Bat?

The popularity of the Jos Buttler bat comes from its combination of power and balance.

Players appreciate:

- Large sweet spot
- Thick edges for power-hitting
- Comfortable oval handle
- Professional-grade willow
- Balanced pickup for modern T20 batting

These features make it suitable for aggressive batters who enjoy playing lofted shots and innovative strokes.

Final Thoughts

The [Jos Buttler bat](#) is more than just cricket equipment—it represents modern attacking batting. Built with premium English willow and designed around Buttler's playing style, the Kookaburra Kahuna delivers power, balance, and performance.

While the original player-edition bat comes with a premium price tag, its quality and design make it a dream choice for many cricket lovers looking to elevate their game.
